Boards and Products

PRODUCT CATALOGUE - 2020

WIRED ASSEMBLY TESTED TO AS61439.1 AND AS61439.2

Echo Boards & Products are an industry leader & supplier of standard and custom built switchboards to builders, wholesalers & electricians. We manufacture and supply electrical switchboard products, such as meter boxes, NSW standard meter boxes, meter panels, tee off boxes, temporary meter boxes, panel surrounds, trays & covers, as well as custom switchboards in Sydney built to specification.

ABOUT US

Echo Boards and Products is a family run and operated business, that focuses on providing high quality service and products. Management prides itself on the strong relationships it has built with their customers and employees. The team are committed to the manufacturing and supply of high quality Australian owned and made goods. We provide an extensive range of electrical products like switchboards, Tee off Boxes, Cable Trays, Bakelite Panels Etc. Echo boards was established in 1988 and has been open for over 30 years. Located in the South West of Sydney the business has grown over time as it changed ownership in 2015 and now has over 20 employees.

WHAT WE STAND FOR

Echo Boards and Products believes in an ethical workplace as we maintain high values such as service quality, efficient communication, equality and diversity.

Our team prides itself on the service we provide by giving the customer exactly what they need. We go beyond our duty of care for the needs of our customers to ensure satisfaction and trust. We make time to recommend and suggest ways to better customer orders.

OUR CONTRIBUTION TO THE COMMUNITY

Since 2014 Echo boards has been a proud supporter of camp quality. We have managed to contribute \$210,832.27 for the foundation. Our business fundraisers for the charity each year as we believe the children of our community are what will keep our futures bright.

Over the last three years the Echo Boards team has also given their support to the local firefighters in the community to acknowledge the work they do.

PRODUCT DETAILS

OUR TEMPORARY METER BOXES FEATURE

- The Temporary Meter box is practical and easy to use on any jobsite. It's perfect for a temporary solution.
- 1.2mm Galvanised and have IP23, 100A wired and non wired options.
- Workcover compliant.

BEP WIRED TEMP SINGLE PHASE BOARD –

Available with or without stand

40a or 50a or 63a circuit breaker (specify when ordering)

- Temporary builders supply enclosure, mounted to stand, Supplied & wired with 2 x DGPOS 10A, 1 x DGPO 15A, Rear links, 1 x 40A or 50A or 63A circuit breaker main switch and 2 x mcb/rcd.

BEP WIRED TEMP THREE PHASE BOARD –

Available with or without stand

40a or 50a or 63a circuit breaker (specify when ordering)

- Temporary builders supply enclosure, mounted to stand, Supplied & wired with 5 x DGPOS 10A, 1 x DGPO 15A, Rear links, 1 x 40A or 50A or 63A circuit breaker main switch and 3 x mcb/rcd.

BEP WIRED TEMP THREE PHASE BOARD WITH OUTLET –

40a or 50a or 63a circuit breaker (specify when ordering)

- Temporary builders supply enclosure, mounted to stand, Supplied & wired with 5 x DGPOS 10A, 1 x DGPO 15A, Rear links, 1 x 40A or 50A or 63A circuit breaker main switch and 3 x mcb/rcd.
- External 20A or 32A three phase 5 pin Outlet – specify when ordering.

TWO PIECE STAND

- The stand is a strong modular making it easier to handle freight, as well as protecting the Upper stand.
- The Stand base is replaceable and sold separately.

OUR TEMPORARY BUILDERS SUPPLY SWITCHBOARDS FEATURE

- Economical and Market leader solution.
- 1.5mm Galvanised, Wall mount, IP54.
- Enclosed and safe SPD and CT chamber sections.
- DIN rail inclusion for DIN type circuit breakers.
- Hot dipped Galvanised plinth for Floor standing available.
- Available in Wired and Not Wired.
- Built to Energy Authority requirements, AS3000.
- Installation of current transformers.
- Powder coating is an option.
- TBOX 630 – comes with a plinth.

OUR PLINTHS FEATURE

- Hot dipped 3mm.
- Plinth to suit 250A & 400A.

CUSTOM MAIN SWITCHBOARDS

PRODUCT DETAILS

OUR CUSTOM DESIGNED SWITCHBOARDS FEATURE

- Floor standing or wall mount.
 - Form 1, 2a, 2b, 3a, 3b, 3bih.
 - Fault rating from 6ka to 50ka.
 - IP40 to IP56 with optional IP66.
 - Current Ratings from 400A to 3200A.
 - Manufactured from electro gal, galvanised or stainless steel.
 - Metal thickness from 1.6mm to 3mm.
 - 75 or 100mm galvanised channel iron plinths.
 - Built to latest Energy Authority rules and regulations.
 - Designs to Australian standards AS/NES in construction & wiring.
 - Custom designed from single line diagrams to constructed cabinets.
 - Supply authority time study curves, grading and discrimination curves.
 - Customer co-ordination from supply authorities to final customer requirements.
 - Shop drawings available for energy authority and client approvals.
 - Wired assembly tested to AS61439.1 and AS61439.2.
- **SWITCHBOARDS ARE BUILT TO CUSTOMER SPECIFICATIONS**

**"When I'm sick
the doctors fix
my body &
Camp Quality,
fixes my smile"**

A Camp Quality child living with cancer

**WE RAISE FUNDS TO
SUPPORT CHILDREN
IMPACTED BY CANCER,
AND THEIR FAMILIES**

ECHO BOARDS AND PRODUCTS HAS BEEN A PROUD SUPPORTER OF CAMP QUALITY SINCE JULY 2015. WE SUPPORT THEIR INNOVATIVE PROGRAMS AND SERVICES WHICH DEVELOP LIFE SKILLS AND STRENGTHEN WELLBEING IN CHILDREN 0-13 IMPACTED BY CANCER, WHETHER THEIR OWN DIAGNOSIS, OR THE DIAGNOSIS OF SOMEONE THEY LOVE (PARENT, CARER OR SIBLING).

WE HAVE BEEN ACTIVELY FUNDRAISING THROUGH CAMP QUALITY ESCARPADE, AUSTRALIA'S HAPPIEST AND WACKIEST OUTBACK MOTORING ADVENTURE.

ECHO

Boards and Products

A family owned business since 1988, the team at Echo Boards & Products are committed to the manufacturing and supply of high quality Australian Owned and Australian Made boards, boxes and steel products.

Who We Are

Established in 1988 as Echo Metal Products, our business has remained family owned, upholding our strong values, high quality products and commitment to our clients under new ownership as of July 2015 and renamed as Echo Boards and Products. Echo Boards and Products currently has a team of 15 dedicated staff.

What We Do

Echo Boards & Products leads the industry in supplying custom build and standard steel products to builders, wholesalers and electricians. Our custom made hand crafted boxes can be built to specification to suit your requirements.

What We Stand For

Our custom products are all made here in Australia with Australian labor and the highest level safety standards. A safe, fair trade and ethical workplace sits at the core of our business values as an Australian manufacturer and supplier.

Echo Boards & Products supplies wholesalers, builders and electricians alike with both custom and standard steel products.

Custom Built

While we have our stock product range, we are able to custom build to your requirements.

Australian Made

Our products are made here in Australia, with workplace safety a priority.

Family Owned

Echo Boards & Products have been a family owned business since 1988.
